A proud member of the Choctaw Tribe, Jeremy Dylan Calvin was born in July of 1978 in Chickasha, Oklahoma. He's been drawing since he can remember, but it was not until middle school – when he developed his interest in comic books – that a consideration of art as a career finally crossed his mind.

With assistance from the Choctaw Nation and an Art Talent scholarship, Dylan attended the University of Science and Arts of Oklahoma. Recently, he won both “Best in Show” and the “Heritage Award” in the seventh annual Choctaw Art Show.
